

HELLO FRIEND,

Thank you so much for writing me a letter. You did a great job writing your letters on the paper, addressing the envelope and even putting on the stamp!

I was so happy to hear from you because I just got to use my Cyber Safety Permit today at school and wanted to tell YOU all about it. It was a lot of fun to go online and play games – I even got my first “high score!” Woohoo!

I hope you had a great day at school today, too. Maybe you colored, sang songs or even played on the playground. When I was on the playground today, one of my friends tried to push me down the slide before I was ready and I used my Safety Stop Sign and I Mean Business Voice to make them stop. Phew – I’m sure glad I used my safety tools before I tumbled down the slide.

Always remember that no matter where you are, you always have your safety tools with you and you can always go to a Grown-Up Buddy if you feel unsafe. Keep telling until you’re helped and heard.

Talk to you soon, Safety Super Star, and remember to make safer and smarter choices!

Sincerely,

BUDDY
